

Class Rankings / Grade Point Averages / Honor Rolls (High School)

A four-point scale will be used to determine honor roll, eligibility and class standing. Each course grade will be assigned a point value in accordance with the following:

A = 4

B = 3

C = 2

D = 1

F = 0

All honors courses will be graded on a five-point scale. Each course will be assigned a point value in accordance with the following:

A = 5

B = 4

C = 3

D = 2

Honors courses include advanced placement English, advanced placement government, chemistry, physics, pre-calculus and calculus.

The point values for each class will be averaged to determine the student's grade point average.
