

Supervision of Students

During all contact hours that a teacher is on district property and is performing services on behalf of the school district and while performing such services at school-sponsored activities off district property, the teacher shall be responsible for the control of all students that fall within the teacher's assigned supervision and to other students physically in the teacher's presence.

All activities must be supervised, each in a fashion dependent on the activity and the participants therein. Supervisors must be sufficient in numbers and must execute their duties competently.

ADOPTED: February 15, 1994

REVISED:
